purge 3a5de56787 This is the second time the article is created, the first time it was under the name 2012 Summer Tour. The reason I am nominating the article for deletion is that this isn't a tour. Rihanna official website, Twitter account or third-party sources never labeled this as a tour. This is just a bunch of random concerts on which Rihanna performs to promote Talk That Talk and as like that a certain information can be included in the album page article. For what tour is see further the Loud Tour. — Tomica (talk) 00:20, 5 August 2012 (UTC)reply 3a5de56787 Centralized discussion 3a5de56787

Vegetarian dishes, as well as meat, and seafood in coastal areas, feature prominently. Tomato pappu, gongura, and tamarind are widely used for cooking curries. Spicy and hot varieties of pickles are also an important part of Andhra cuisine, including avakaya (आवकाया).
