He advocates for a more limited government, focused solely on justice and security. Milei's philosophical underpinnings rest on the concepts of non-aggression and self-ownership, emphasizing respect for life, liberty, and property, in accord with free-market principles. Some commentators and political scientists recognize these views as fundamentally libertarian, while others focus on the space Milei occupies in the context of populist or right-wing politics globally.

The bombings occurred three days before general elections, in which incumbent José María Aznar's PP was defeated. Immediately after the bombing, leaders of the PP claimed evidence indicated that the Basque separatist organization ETA was responsible for the bombings. Such accusation led to a result which favours

to the PP's chances of being re-elected. The PP government involved Spain in the Iraq War, a policy very unpopular with many Spaniards. Therefore, if a link between the bombings and the Iraq War involvement were established, it could have reduced the popularity of the PP. 685e3564c6 The novel is based on the events that occurred on 15 March 1924. Purificación González, daughter of a former crown minister Alfonso González, was killed in the atrium of the church of San Ginés by Gonzalo Colina, with whom she has had a previous relationship. Both had known each other since childhood and had started a relationship months earlier. Purificación severed the relationship after she got attracted to Fortunato Gómez. Before committing the crime, Colina told his father of his intention to kill the young woman if she did not resume their relationship, which prompted him to warn Purificación. 685e3564c6 The coalition was formed to compete in the 2023 general election, and is a successor to the previous Everyone's Front coalition, whose candidate in the 2019 presidential election, Alberto Fernández, was successfully elected President of Argentina.
