

What Is Failure To Thrive

The term "failure to thrive" has been used in different ways, as no single objective standard or universally accepted definition exists for when to diagnose FTT. One definition describes FTT as a fall in one or more weight centile spaces on a World Health Organization (WHO) growth chart depending on birth weight or when weight is below the 2nd percentile of weight for age irrespective of birth weight. Another definition of FTT is a weight for age that is consistently below the fifth percentile or weight for age that falls by at least two major percentile lines on a growth chart. While weight loss after birth is normal and most babies return to their birth weight by three weeks of age, clinical assessment for FTT is recommended for babies who lose more than 10% of their birth weight or do not return to their birth weight after three weeks. The Elusive Chanteuse* (2014), and features rapper Wale. The track was released on June 30, 2014, as the fourth and final single from the album, becoming Carey's final single with her then-label Def Jam, and its parent company Universal Music Group to which she signed in 2002, before returning to Sony Music the following year. Carey herself later expressed her discontent on the matter, stating that she had no knowledge of the single's artwork until it was released. The song contains an interpolation of "I'm Caught Up in a One Night Affair" written by Patrick Adams and Terri Gonzalez, both of whom received songwriting credits as a result. It was written by Wale, Carey, Jermaine Dupri and Bryan-Michael Cox, with production helmed by the latter two.
