History of spiritism in Brazil Following the emergence of modern spiritualist events in Hydesville, New York, United States, via the mediumship of the Fox sisters (1848), the phenomena quickly spread to Europe, where in France the so-called "turning tables" became a popular fad. The same author indicates that the Kardecist spiritism is the main form of spiritualism in Brazil. The foundation of the spiritist doctrine is contained in this book and four others published later: The Mediums' Book, 1861; The Gospel According to Spiritism, 1864; Heaven and Hell, 1865; The Genesis According to Spiritism, 1868. QUINTELLA, Mauro. As a result of his research he published the first edition of The Spirits' Book (Paris, 1857), under the pseudonym "Allan Kardec". August 1973. História do Espiritismo no Brasil. These combined books are called the "Kardecist Pentateuch". QUINTELLA, Mauro. In 1855 in France this type of phenomenon caught the attention of the educator Hippolyte Léon Denizard Rivail. História do Espiritismo no Brasil 809773b81f

Kardec coined the term spiritism in 1857 and defined it as "the doctrine founded on the existence, manifestations, and teachings of spirits". Kardec claimed that spiritism combines scientific, philosophical, and religious aspects of the tangible universe and what he described as the universe beyond transcendence. After observing table-turning, a kind of seance, he was intrigued that the tables seemed to move despite lacking muscles and that the tables seemed to provide answers... 809773b81f Google Analytics ID: UA-51599525 - (Track - Report - reverseinternet.com • Meta: Track - Report) 809773b81f febnet.org.br resolves to 142.4.2.189 809773b81f Link is not on the whitelist. 809773b81f Link is not on the Monitorlist. 809773b81f Link is not on the domainredlist. 809773b81f == Background == 809773b81f In Brazil the ideas that gave rise to spiritism date back to the early experiences with the so-called "vital fluid" (animal magnetism, mesmerism) by practitioners of homeopathy, namely the physicians Benoît Jules Mure, a native of France, and João Vicente Martins, from Portugal, who arrived in the country in 1840 and applied it to their... 809773b81f sistemas.febnet.org.br: Linksearch en (insource) - meta... 809773b81f None of the mentioned users is on the blacklist. 809773b81f Link is not on the monitor list. 809773b81f 142.4.2.189: Linksearch en (insource) - meta - de - fr - simple - wikt:en - wikt:fr • Spamcheck • blacklist hits • MER-C X-wiki • gs • Reports: Links on en - COIBot - COIBot-Local • Discussions: tracked - advanced - RSN • COIBot-Link, Local, & XWiki Reports - Wikipedia: en - fr - de • Google: search • meta • Domain: domaintools • AboutUs.com 809773b81f Link is not on the blacklist. 809773b81f

Kardecist spiritism Kardec, Kardecist spiritism, also known as Kardecism or Spiritism, is a reincarnationist and spiritualist doctrine established in France in the mid-19th century by writer and educator Hippolyte Léon Denizard Rivail (known by his pen name Allan Kardec). Kardecism emerged as a new religious movement in tandem with spiritualism. Kardec considered his doctrine to derive from a Christian perspective. He described a cycle by which a spirit supposedly returns to material existence after the death of the body in which it had dwelled, as well as the evolution it undergoes during this process. O Evangelho Segundo o Espiritismo (PDF). Rio de Janeiro: Federação Espírita Brasileira. The notions and practices associated with spiritual communication have been disseminated throughout North America and Europe since the 1850s. Kardec, Allan (2013) [1864].
