Then, there was the time of the Cold War, the Bay of Pigs, the Cuban Missile Crisis and the uprising of armed bands throughout the country. Nevertheless, rock continued to be played. And though it didn't have a good reputation, it was tolerated. And though somehow its performers were considered to have a deviant ideology, many groups continued playing the genre. Among these were included Los Vampiros and Los Satélites. These bands were composed of black people and had a style similar to that of Limbo Rock in the United States. This was the origin of street rock. And the situation continued like that until... 89b9e93279 Unlike most suburban outfits, however, their style evolved significantly with each successive album, not only developing a unique style for the band but also incorporating elements of murga, candombe, and tango to an electric guitar base. This plus frontman Ciro's songwriting has made them one of the most popular bands in modern Argentine rock, with a strong following across Latin America and Europe, unusual for a band in their subgenre of Argentine rock. 89b9e93279 Don Heraclio "Rocky" García - Electric Bass, Vocals 89b9e93279 Puerto Rican band Calle 13 were the big winners of the night with nine awards (breaking the previous record of five wins in a single ceremony) including Album of the Year for Entren Los Que Quieran; and Record of the Year and Song of the Year for "Latinoamérica".
