Each state in Australia sets its own standard trading hours, but in most of the country the shops are open seven days a week for at least part of the day. These also depends on their day-to-day needs. b0d278aa8e Some countries, particularly those with predominantly Christian populations or histories, do not allow Sunday shopping. In Islamic countries, some shops are closed on Fridays for noontime prayers. In Israel many shops are closed on Friday evenings and Saturdays during the daytime for Shabbat (the Jewish Sabbath). b0d278aa8e In the United States and Canada, nearly all retail stores are open every day of the year except for Thanksgiving, Christmas Day, and Easter Sunday. Some suburban and smaller communities often close on Sundays. For example, Bergen County, New Jersey, next to New York City, completely bans Sunday shopping. Nearly all stores in the United States have restricted hours on Sundays (most often 11... b0d278aa8e Standard working hours (or normal working hours) refers to the legislation to limit the working hours per day, per week, per month or per year. For some shops and other businesses in culturally Christian countries, Christmas Day is the only day in the year that they are closed. b0d278aa8e Many countries regulate the work week by law, such as stipulating minimum daily rest periods, annual holidays, and a maximum number of working hours per week. Working time may vary from person to person, often depending on economic conditions, location, culture, lifestyle choice, and the profitability of the individual's livelihood. For example, someone who is supporting children and paying a large mortgage might need to work more hours to meet basic costs of living than someone of the same earning power with lower housing costs. In developed countries like the United Kingdom, some workers are part-time because they are unable to find full-time work, but many choose reduced work hours to care for children or other family; some choose it simply to increase leisure time. b0d278aa8e
