Studies show that the pain of heartbreak is registered in the brain the same as physical pain. Love is also addictive; when heartbreak happens, dopamine and oxytocin levels drop and are replaced with cortisol—contributing to mental and physical symptoms of heartbreak. 4d8525a60f Cabello wrote the song while she was still touring with her then-group Fifth Harmony. It was the first song she wrote for her debut album, inspiring the direction of the project that was then called The Hurting. The Healing. The Loving. According to her, this was "The Hurting" part of the album. The song, however, was not included in the final standard track listing after the album's re-imagination. It is included in the Japan limited pressing of Cabello's debut studio album Camila (2018) as a bonus track, and is the B-side of the 7-inch single of her solo debut "Crying in the Club". 4d8525a60f Breast binding has been used in many historical contexts.
