Wikipedia:Language learning centre/Word list A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. acetylene to ache ache ached aches achievable to achieve achieved achievement achievements achiever achievers achieves achieving Achilles heel aching achingly Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. You can use the list to generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource 4b5a1101ed

The most common reason for going on a liquid diet is gastrointestinal problems. The human stomach can, on average, hold 1 to 1.5 liters of food. As solid foods must be converted into small water-soluble compounds to enter the blood plasma, the overall surface area for digestion of solid food is small. Liquid foods, by contrast, almost entire surface area can be digested, and have a higher bioavailability than solid food. This can lessen negative effects from digestion, like bloating, nausea and... 4b5a1101ed Kraški brinjevec is mentioned in... 4b5a1101ed == Episodes == 4b5a1101ed == History == 4b5a1101ed == A ==

Kraški brinjevec means 'Karst gin' or 'Karst juniper brandy'. 4b5a1101ed

On Her Majesty's Secret Service (novel) No, the first entry in the James Bond film series by Eon Productions, was being filmed nearby. Fleming wrote the novel at Goldeneye, his holiday home in Jamaica, while Dr. double vodka martinis; other spirits included two double brandies with ginger ale, a flask of Enzian schnaps and a double gin: he also washes this down On Her Majesty's Secret Service is the tenth novel and eleventh book in Ian Fleming's James Bond series. The initial and secondary print runs sold out quickly, with over 60,000 copies sold in the first month, double that of the previous book's first month of sales. Fleming changed the formula and structure from the previous novel, *The Spy Who Loved Me*, and made a determined effort to produce a work that adhered to his tried and tested format. It was first published in the United Kingdom by Jonathan Cape on 1 April 1963

Brinjevec It is distilled from ground and fermented juniper berries only and it differs from similar drinks that have different alcohol bases with added juniper flavor (compound Gin, Slovak Borovička, Dutch Jenever, Serbian Klekovača, etc. problems. It contains between 40% and 50% alcohol and has a very distinctive tart taste.). It is also used Brinjevec (or Brinovec) is a strong alcoholic drink unique to Slovenia, produced in the Karst and Brkini regions in Slovenia. It has a clear transparent color and it is meant for folk medicinal use and not for regular drinking. It stimulates blood flow in the abdominal cavity and helps cure stomach ache, indigestion, gastritis and intestinal problems 4b5a1101ed

A liquid diet is not recommended outside of hospital or medical supervision. Negative side effects include fatigue, nausea, dizziness, hair loss and dry skin which are said to disappear when the person resumes eating.
4b5a1101ed The word brinovec derives from the word brin 'juniper' and it is made from juniper berries.
4b5a1101ed Kraški brinjevec has been made by local farmers in the Karst and Brkini regions for centuries. It was first mentioned 200 years ago. It has always been appreciated by locals for its curative effects as a cure for many problems. Because it is fermented only from juniper berries (from 100 to 150 kilos of berries for 10 liters of spirit) and distilled and re-distilled in a special copper still, it costs €30 or more per liter (2010) if buying from local farmers. 4b5a1101ed I was wondering if it was possible for future moon colonization for the colony's oxygen supply to be totally reliant on plants? Could the colonists provide the plants with their carbon dioxide while the plants supplied them with oxygen? 4b5a1101ed On Her Majesty's Secret Service is the second book in what is known as the "Blofeld trilogy", which begins with

Thunderball and concludes with You Only Live Twice. This episode centres on Bond's ongoing search to find Ernst Stavro Blofeld after the Thunderball incident. Bond finds Blofeld in Switzerland and attacks the centre where he is based, although Blofeld escapes in the confusion. Bond meets and falls in love with Contessa Teresa "Tracy" di Vincenzo during the story. The pair marry at the end... 4b5a1101ed

Liquid diet can lessen negative effects from digestion, like bloating, nausea and stomach ache. A clear liquid diet, sometimes called a surgical liquid diet because A liquid diet is a diet that mostly consists of liquids, or soft foods that melt at room temperature (such as ice cream). A liquid diet usually helps provide sufficient hydration, helps maintain electrolyte balance, and is often prescribed for people when solid food diets are not recommended, such as for people who suffer with gastrointestinal illness or damage, or before or after certain types of medical tests or surgeries involving the mouth or the digestive tract 4b5a1101ed
