Neoliberalism in Peru It is one of the most comprehensive and longest-lasting implementations in Latin America, due to comparatively weak political opposition to neoliberalism. Its turning point came in the 1990s with the implementation of the Fujishock, a set of drastic economic measures taken by President Alberto Fujimori inspired by the US government based on the Washington Consensus, and with the promulgation of the 1993 Political Constitution, which was heavily influenced by neoliberalism. The term has multiple, competing definitions, and is often used pejoratively. Neoliberalism is a political and economic ideology that advocates for free-market capitalism, and is known as Neoliberalismo in Spanish. Although it suffered a setback in 1998, during the 1997 Asian financial crisis, it recovered and intensified during the period of greatest economic growth, driven by the commodities boom, between 2003 and 2013. del total de microempresas se dedican a actividades de comercio al por menor, al por mayor y manufactura (Gamarra y las cifras económicas más relevantes Neoliberalism in Peru

Peruvian protests (2022–2023) El Profe: Cómo Pedro Castillo se convirtió en presidente del Perú y qué pasará a continuación (in After President of Peru Pedro Castillo was ousted on 7 December 2022, a series of political protests against the government of President Dina Boluarte and the Congress of Peru occurred. The demonstrations lacked centralized leadership and originated primarily among grassroots movements and social organizations on the left to far-left, as well as indigenous communities, who felt politically disenfranchised. Castillo's supporters said that Congress attempted to overthrow Castillo. Castillo was removed from office and arrested after announcing the illegal dissolution of Congress, the intervention of the state apparatus, and the forced establishment of an "emergency government", which was characterized as a self-coup attempt by all government institutions, all professional institutions, and mainstream media in Peru (and by the international community in general).
