Corpus Clock 2037600; 0. 1176400 The Corpus Clock, also known as the Chronophage or the Grasshopper clock, is a large sculptural clock on the outside of the Taylor Library The Corpus Clock, also known as the Chronophage or the Grasshopper clock, is a large sculptural clock on the outside of the Taylor Library at Corpus Christi College, University of Cambridge, in England. It is at street level at the junction of Bene't Street and Trumpington Street, looking out over King's Parade, Cambridge. The clock was conceived and funded by John Taylor, an alumnus and honorary fellow of the college 1697bd440c

Light projection onto a map representing daytime, used in the Geochron, a brand of a particular form of world clock. 1697bd440c Sunday: In the Spotlight 1697bd440c Friday: Life In China 1697bd440c The most recent revival aired on Universal Kids from February 6, 2018 to... 1697bd440c Jaques of London's description suggests that clock golf can be played

wherever there is space for "an approximate circle of 10–30ft in diameter", and that shrubs and other obstacles can add to the interest. The hole is not placed centrally, so the 12 "holes" of the game can be of different lengths. A writer in *Landscape Architecture Magazine*, 1926, suggests it needs a 20–24ft circle, and lists it among "the lawn sports now commonly played."

1697bd440c It was officially unveiled to the public on 19 September 2008 by Cambridge physicist Stephen Hawking. The clock was named one of Time's Best Inventions of 2008.

Clock golf Alternative names include clock-golf, round the clock golf, and golf around the clock. in a clock face, to a single hole placed within the circle. Players putt a golf ball from each in turn of 12 numbered points arranged in a circle as in a clock face, to a single hole placed within the circle. Alternative names include clock-golf, round the clock golf, and golf around the clock. Jaques Clock golf is a game based on golf, originating in the mid-19th century 1697bd440c

The show began on radio as Time's A-Wastin' in 1948, hosted by Bud Collyer, and changed its name to Beat the Time on January 5, 1949. The show moved to television on the CBS nighttime schedule starting on March 23, 1950. On September 16, 1957, CBS premiered an afternoon version of the show as well, which ran for a year. The nighttime show was cancelled on February 16, 1958, and the afternoon program followed on September 12, 1958. 1697bd440c == Uses == 1697bd440c

== History of clock golf == 1697bd440c From 2002 to 2003, another revival which was filmed at Universal Studios Hollywood, aired on PAX TV, with Gary Kroeger hosting.

1697bd440c Released as a single in January 1982, "Round the Clock Lovin'" reached a peak of number nine on the Billboard Hot Country Singles chart. The song would become Davies' final top-ten hit on any Billboard chart. Additionally, the single peaked within the top-twenty on the Canadian RPM Country Tracks chart in 1981. 1697bd440c

World clock multiple round analogue clocks with moving hands or multiple digital clocks with numeric readouts, with each clock being labelled with the name of a major A world clock is a

clock which displays the time for various cities around the world 1697bd440c

Town Clock (Dubuque, Iowa) The Town Clock is a large clock that stands in downtown Dubuque, Iowa. The clock has stood over the city for over 140 years. The building on which it originally stood is listed on the National Register of Historic Places, but the clock tower itself is not. The present clock is the The Town Clock is a large clock that stands in downtown Dubuque, Iowa. The present clock is the second "Town Clock"; the first collapsed in the 1870s, killing three people. The clock has stood over the city for over 140 years 1697bd440c

Radio clock Such systems may be used to automatically set clocks or for any purpose where accurate time is needed. Radio clocks may include any feature available for a clock, such as alarm function, display of ambient temperature and humidity, broadcast radio reception, etc. radio clock or radio-controlled clock (RCC), and often colloquially (and incorrectly) referred to as an "atomic clock", is a type of quartz clock or watch A radio clock or radio-controlled clock (RCC), and often colloquially (and incorrectly) referred to as an "atomic clock", is a type of quartz clock or watch that is automatically synchronized to a time code transmitted by a radio transmitter connected to a time standard such as an atomic clock. Such a clock may be synchronized to the time sent by a single transmitter, such as many national or regional time transmitters, or may use the multiple transmitters used by satellite navigation systems such as Global Positioning System 1697bd440c

One common style of radio-controlled clock uses time signals transmitted by dedicated terrestrial longwave radio transmitters, which emit a time code that can be demodulated and displayed by the radio controlled clock. The radio controlled clock will contain an accurate time base oscillator to maintain timekeeping if the radio signal is momentarily

unavailable. Other radio controlled clocks use the time...

1697bd440c The clock face can incorporate multiple round analogue clocks with moving hands or multiple digital clocks with numeric readouts, with each clock being labelled with the name of a major city or time zone in the world. The World Clock in Alexanderplatz displays 146 cities in all 24 time zones on its head. 1697bd440c The display can take various forms: 1697bd440c

Beat the Clock Contestants attempt to complete challenges such as physical stunts within a time limit in order to win prizes. The outer ring would light during the \$100 Beat the Clock is an American television game show. The show was a creation of Mark Goodson-Bill Todman Productions. This display had three rings of light like a target. a round display near the contestants mirroring the clock 1697bd440c

Round the clock round the clock in Wiktionary, the free dictionary. Round the clock may refer to: a service available at any time, 24/7 Round the Clock (Darts), the game Round the clock may refer to: 1697bd440c

SHAPE America offered a set of instructions for "Golf Around the Clock" as a "lead-up game" that was useful as a preliminary for golf learners. 1697bd440c Co-writer K.T. Oslin would in later years would become a major country music artist herself. "Round the Clock Lovin'" has often been described as a catalyst for Oslin's early career. Oslin recorded her own version of the song on her 1988 album This Woman. Oslin's version served as the B-side to her 1989 single "Didn't Expect It to Go Down This Way". 1697bd440c A moving circular map of the world, rotating inside a stationary 24-hour dial ring. Alternatively, the disc can be stationary and the ring moving. 1697bd440c

Clock position The observer then measures or observes the angle made by the intersection of the line of sight to the longitudinal axis, the dimension of length, of the vessel, using the clock analogy. A clock position, or clock bearing, is the direction of an object observed from a vehicle, typically a vessel or an aircraft, relative to the orientation A clock position,

or clock bearing, is the direction of an object observed from a vehicle, typically a vessel or an aircraft, relative to the orientation of the vehicle to the observer. These quarters may have specialized names, such as bow and stern for a vessel, or nose and tail for an aircraft. The vehicle must be considered to have a front, a back, a left side and a right side 1697bd440c

Wednesday: China Horizons 1697bd440c In this analogy, the observer imagines the vessel located on a horizontal clock face with the front at 12:00. Neglecting the length of the vessel, and presuming that he is at the bow, he observes the time number lying on the line of sight. For example, 12 o'clock means directly ahead, 3 o'clock means directly to the right, 6 o'clock means directly behind, and 9 o'clock means directly to the left. 1697bd440c

Tuesday: Biz-China 1697bd440c In 2006, the show made up the third segment of Gameshow Marathon, a seven-part summer series that aired on CBS, with Ricki Lake as host and Rich Fields as announcer. 1697bd440c There are also worldtime watches, both wrist watches and pocket watches. Sometime manufacturers of timekeepers erroneously apply the worldtime label to instruments that merely indicate time for two or a few time zones, but the term should be used only for timepieces that indicate time for all major time zones of the globe. 1697bd440c (Source:
