Unpaid parental or family leave is provided when an employer is required to hold an employee's job while that employee is taking leave. Paid parental or family leave provides paid time off work to care for or make arrangements for the welfare of a child or dependent family member. The three most common models of funding are government-mandated social insurance/social security (where employees, employers, or taxpayers in general contribute to a specific public fund), employer liability (where the employer must pay the employee for the length of leave), and mixed policies that combine both social security and employer liability. 8f9bb43c98 The idea behind the LNT principles is to leave the wilderness unchanged by human presence. 8f9bb43c98 In China, minimum annual leave entitlements and how leave is earned and managed are governed by the Employee Paid Annual Leave
