

Another Word For Decided

WordStar Rob Barnaby was the sole author of the early versions of the program. WordStar is a discontinued word processor application for microcomputers. It was published by MicroPro International and originally written for the CP/M-80 WordStar is a discontinued word processor application for microcomputers. It was published by MicroPro International and originally written for the CP/M-80 operating system (OS), with later editions added for MS-DOS and other 16-bit PC OSes 3e5fde3284

As the market became dominated by the IBM PC and later Microsoft Windows, this same portable design made it difficult for the program to add new features and affected its performance... 3e5fde3284 == Background and first broadcasts == 3e5fde3284

My Word! The series also ran on BBC Television for one series from July-September 1960. It was created by Edward J. Mason and Tony Shryane, and featured the humorous writers Frank Muir and Denis Norden, known in Britain for the series Take It From Here. was a British radio quiz panel game broadcast by the BBC on the Home Service (1956-67) and Radio 4 (1967-88). Mason My Word. The show was piloted in June 1956 on the Midland Home Service and broadcast as a series on the national Home Service network from 1 January 1957. My Word. was a British radio quiz panel game broadcast by the BBC on the Home Service (1956-67) and Radio 4 (1967-88). It was created by Edward J 3e5fde3284

Weasel words can also be used to weaken or understate a controversial claim in order to provide a hedge against negative feedback. An example of this is using terms like "somewhat" or "in most respects", which make a sentence more ambiguous than it would be without them. 3e5fde3284 WordStar was written with as few assumptions as possible about the operating system and machine hardware, allowing it to be easily ported across the many platforms that proliferated in the early 1980s. Because all of these versions had relatively similar commands and controls, users could move between platforms with equal ease. It was already popular when its inclusion with the Osborne 1 portable computer made the program the de facto standard for much of the small computer word-processing market. 3e5fde3284

Word Association associated the word with beer, another third associated it with tiredness, dizziness and so forth. As a result of the study, Vicary's client decided not to use Word Association is a common word game involving an exchange of words that are associated together. The game is based on the noun phrase word association, meaning "stimulation of an associative pattern by a word" or "the connection and production of other words in response to a given word, done spontaneously as a game, creative technique, or in a psychiatric evaluation"

Of the 45 national FIFA (Fédération Internationale de Football Association) affiliates in which English is an official or primary language, 43 use football in their organisations' official names, while Canada and the United States use soccer. In those two countries, other codes of football are dominant, and soccer is the prevailing term for association football. In 2005, Australia's association football governing body changed its name from soccer to football to align with the general international usage of the term. In 2006, New Zealand decided to follow suit. There are also many other languages where the common term for association football is phonetically similar to the English term... Systematic names of chemical compounds can run to hundreds of thousands of characters in length. The rules of creation of such names are commonly defined by international bodies, therefore they formally belong to many languages. The longest recognized systematic name is for the protein titin, at 189,819 letters. While lexicographers regard generic names of chemical compounds as verbal formulae rather... == Origin == The album features production from a wide range of producers and was recorded over the course of two years, from 2011 to 2013. The Wanted toured the album with their first ever world tour, the Word of Mouth Tour, starting in February 2014. The Wanted began working on recording new material in November 2011, shortly after the release of their second studio album, Battleground. The band confirmed that they had worked with a number of different producers and collaborators whilst writing the material, in order to make something that would appeal to both American and British audiences. It was initially rumoured that the material that they were recording would be for a repackaged version... == History ==

Word problem (mathematics) A prototypical example is the word problem for groups, but there are many other instances as well. Some deep results of computational theory concern the undecidability of this question in many important cases. 1957 (1957)-1958 (1958): John Britton gives another proof that the word problem In computational mathematics, a word problem is the problem of deciding whether two given expressions are equivalent with respect to a set of rewriting identities. word problem for groups is unsolvable, using Post's semigroup construction

3e5fde3284 Agglutinative languages allow for the creation of long words via compounding. Words consisting of hundreds, or even thousands of characters have been coined. Even non-agglutinative languages may allow word formation of theoretically limitless length in certain contexts. An example common to many languages is the term for a very remote ancestor, "great-great-.....-grandfather", where the prefix "great-" may be repeated any number of times. The examples of "longest words" within the "Agglutinative languages" section may be nowhere near close to the longest possible word in said language, instead a popular example of a text-heavy word. 3e5fde3284 In 1956, Edward J. Mason and Tony Shryane, respectively the writer and producer of the popular radio soap opera *The Archers*, decided that by way of a change they would devise and produce what Frank Muir called "a new kind of not-very-academic literary quiz". The Aeolian Hall in London was booked for the recording of a pilot show, but at the last minute two of the four panellists were unexpectedly unavailable. Shryane sought the help... 3e5fde3284 == Background and development == 3e5fde3284 The expression weasel word may have derived from the egg-eating habits of weasels. A 1999 article in *Buffalo News* attributes the origin of the... 3e5fde3284 According to Michael Hackbardt, Executive Director of the society since June 1992, Beck had not completed the Old Testament portion of his Bible prior to his death in 1966, but was awaiting textual suggestions from two colleagues, Elmer Smick, Professor of Old Testament at Gordon Conwell Theological Seminary, and Erich Kiehl of Concordia Seminary. Smick and Kiehl ensured it was published posthumously in 1976 as *An American Translation (AAT)*. 3e5fde3284

Football (word) There are also many other languages where the common term for association football is phonetically The English word football may mean any one of several team sports (or the ball used in that respective sport), depending on the national or regional origin and location of the person using the word; the use of the word football usually refers to the most popular code of football in that region. In 2006, New Zealand decided to follow suit. the term. The sports most frequently referred to as simply football are association football, American football, Australian rules football, Canadian football, Gaelic football, rugby league football and rugby union football 3e5fde3284

The God's Word Translation of the Bible was produced by the God's Word to the Nations Bible Mission Society in Cleveland, Ohio, which relocated in April 2005 to the Jacksonville, Florida, metro area. Although many of its board members were affiliated with the Lutheran Church-Missouri Synod (LCMS), the society has no official ties to this specific Christian denomination. GW had its beginnings with a New Testament translation titled *The New Testament in the Language of Today: An American Translation*, published in 1963 by LCMS pastor and seminary professor William F. Beck (1904-1966). 3e5fde3284

The Word Alive Their second EP, *Empire* reached No. In 2010, the group recorded

their debut studio album, *Deceiver* and released it on August 31, 2010. The band was signed to Fearless Records since their formation. 97 on the Billboard 200 and No. 15 on the Top Heatseekers, meeting a great amount of positive acclaim upon its release in 2009. The band consists of vocalist Tyler Smith, guitarist, bassist and keyboardist Jose DelRio, guitarist and bassist Logan Abernethy, and drummer Devin Attard. The Word Alive is an American metalcore band formed in Phoenix in 2008. It reached No. 15 on Independent Albums. In 2022, they changed The Word Alive is an American metalcore band formed in Phoenix in 2008

== Description ==

Word of Mouth (The Wanted album) The Word of Mouth is the third studio album by English-Irish boy band the Wanted. It was the last studio album to feature singer Tom Parker before his death in March 2022. Word of Mouth is the third studio album by English-Irish boy band the Wanted. The album was released worldwide via Island Records on 4 November 2013. The album was preceded by the release of six singles: "Chasing the Sun", "I Found You", "Walks Like Rihanna", "We Own the Night", "Show Me Love (America)" and "Glow in the Dark", the latter of which was released two weeks prior to the album

Longest words The longest word in any given language depends on the word formation rules of each specific language, and on the types of words allowed for consideration The longest word in any given language depends on the word formation rules of each specific language, and on the types of words allowed for consideration

Weasel word The terms may be considered informal. Using weasel words may allow one to later deny (a. , "weasel out of") any specific meaning if the statement is challenged, because the statement was never specific in the first place. Examples include the phrases "some people say", "it is thought", and "researchers believe". Weasel words can be a form of tergiversation and may be used in conspiracy theories, advertising, popular science, opinion pieces and political statements to mislead or disguise a biased view or unsubstantiated claim. a. In rhetoric, a weasel word, or anonymous authority, is a word or phrase aimed at creating an impression that something specific and meaningful has been said, when in fact only a vague, ambiguous, or irrelevant claim has been communicated. k

Starting with WordStar 4.0, the program was built on new code written principally by Peter Mierau. WordStar dominated the market in the early and mid-1980s,

succeeding the previous market leader, Electric Pencil. 3e5fde3284 In computer algebra one often wishes to encode mathematical expressions using an expression tree. But there are often multiple equivalent expression trees. The question naturally arises of whether there is an algorithm which, given as input two expressions, decides whether they represent the same element. Such an algorithm is called a solution to the word problem. For example, imagine that 3e5fde3284 For decades the programme was also broadcast worldwide via BBC World Service and was relayed to an international audience though the BBC Transcription Services. A companion programme, My Music, ran from 1967 to 1993. 3e5fde3284
