

Improvement District No 9

ID No. 349 was formed as a result of negotiations between the Province of Alberta, the City of Cold Lake, the MD of Bonnyville No. 87, the Regional Municipality of Wood Buffalo, and Lac La Biche County. Under a tax revenue sharing agreement, the City of Cold Lake received a portion of the tax revenue generated by oil and gas activity on the air weapons range in 2012. The revenue made the city... b77c87464b

Business improvement district A business improvement district (BID) is a defined area in which businesses elect to pay an additional fee (or assessment) to fund projects within the A business improvement district (BID) is a defined area in which businesses elect to pay an additional fee (or assessment) to fund projects within the district's boundaries. BID funds are collected and used for the exclusive benefit of the industry that pays the assessment, so these funds are not taxes paid to a government b77c87464b

Prior to 1994, those lands within Improvement District (ID) No. 25 were split between ID No. 14 and ID No. 16. Those lands within Willmore Wilderness Park were incorporated as ID No. 25 on January 2, 1994. b77c87464b == History == b77c87464b Improvement District (ID) No. 349 was established through the approval of Order in Council 419/2011 passed by Alberta's Lieutenant Governor in Council on September 9, 2011. It was created from lands that were separated from the Regional Municipality of Wood Buffalo and Lac La Biche County (the Alberta portion of the Cold Lake Air Weapons Range). The effective date of the improvement district's formation was January 1, 2012. b77c87464b The BID is often funded primarily through the assessment but can also draw on other public and private funding streams. BIDs may go by other names, such as business improvement area (BIA), business revitalization zone (BRZ), business improvement zone (BIZ), community improvement district (CID), community benefit district (CBD), special services area (SSA), or special improvement district (SID). These districts typically fund services which are defined by the industry collecting the assessment, and may include work perceived by some businesses as being inadequately performed by government with its existing tax revenues, such as cleaning streets, providing security, making capital improvements, construction of pedestrian and streetscape enhancements, and marketing the area. The services provided by BIDs are supplemental to those already provided by

the municipality... b77c87464b Prior to 1944, those lands within Improvement District (ID) No. 4 were split between the Municipal District of Kerr No. 39 and the Municipal District of Castle River No. 40. Following a partial amalgamation of the two municipal districts, remnant unsurveyed lands were incorporated as ID No. 11 on January 1, 1944. It was renumbered to ID No. 8 on April 1, 1945 and again to ID No. 4 on January 1, 1969. b77c87464b

Improvement District No. 349 On May 1, 2021, the improvement district was annexed by the adjacent Municipal District (MD) of Bonnyville No. The improvement Improvement District No. 349 was an improvement district in northeast Alberta, Canada that existed between January 1, 2012 and May 1, 2021. 87. The improvement district was largely coextensive with the Alberta portion of the Cold Lake Air Weapons Range. Improvement District No. 349 was an improvement district in northeast Alberta, Canada that existed between January 1, 2012 and May 1, 2021 b77c87464b

Improvement commissioners They often included street paving, cleansing, lighting, providing watchmen or dealing with various public nuisances. The powers of the boards varied according to the acts which created them. Those improvement Boards of improvement commissioners were ad hoc urban local government boards created during the 18th and 19th centuries in the United Kingdom of Great Britain and Ireland and its predecessors the Kingdom of Great Britain and the Kingdom of Ireland. Around 300 boards were created, each by a local act of Parliament, typically termed an improvement act. Those with restricted powers might be called lighting commissioners, paving commissioners, police commissioners, etc. sanitary districts, with improvement commissioners districts (also termed improvement act districts) becoming a type of urban sanitary district b77c87464b

== History == b77c87464b Improvement District (I.D.) No. 9 was originally formed as I.D. No. 51 on April 1, 1945, through the amalgamation of I.D. Nos. 224, 255, 285, and

317, as well as portions of I.D. Nos. 193, 223, 253, 254, 284, 314, 315, 316, 347, 348, and 378. I.D. No. 51 was renumbered to I.D. No. 9 on January 1, 1969. b77c87464b
