The Women's National Football Conference was founded by former Women's Football Alliance (WFA) player and then coach Odessa Jenkins in 2018, with its inaugural season in 2019. On their website, the WNFC is described as looking to create a standard of excellence and opportunities. The league's mission is to accelerate financial equity for women through the power of football, reshaping the landscape of sports and entertainment by demonstrating that women belong on the field, at the table, and in leadership.

market throughout the 20th and 21st centuries. The name refers to two of its original ingredients: coca leaves and kola nuts (a source of caffeine). The formula of Coca-Cola remains a trade secret; however, a variety of reported recipes and experimental recreations have been published. The secrecy around the formula has been used by Coca-Cola as a marketing aid because only a handful of anonymous employees know the... f3acd92297 Her childhood consisted of multiple hardships. At three years old, her mother died after giving birth to her third child, and her father deserted the family. Leta and her sisters were then raised by their maternal grandparents – Samuel Thomas Danley (1833–1898) and Mary (1838–1904) – on their farm. After ten years of absence, Leta's father remarried and forced the children to leave their grandparents and move to Valentine, Nebraska, to live with him and their stepmother. Leta described the experience of living there as a "fiery furnace" due, in part, to the alcoholism that
