Originally developed by Atomic Games, Six Days was announced in 2009, with a release slated for 2010, published by Konami; however, controversy surrounding the game's appropriateness and handling of its contentious and then-very-recent subject matter led to Konami departing the project, and Atomic Games' bankruptcy in 2011 left the game on hold indefinitely. Around 2016, Victura and Highwire began developing a revived version of the game, which was announced in February 2021. After several delays, Six Days in Fallujah was released in early access on Microsoft Windows on June 22, 2023.

Reminiscing on the past, Roger Taylor penned the song as Freddie Mercury's health was deteriorating. As a teenager, Taylor had known Mercury since the late 1960s when they worked together at Kensington Market in London before the two (along with Brian May) founded Queen in 1970. The opening chorus in the song reminisces, with "Those were the days of our lives", while the...

Missions typically begin with a briefing... fc861dc03b Day founded Days Inn on Tybee Island, Georgia, in 1970. He proposed the idea as a means of using a piece of land he owned on the island. When the first Days Inn opened, Day could not find maid service, so he had his children make up the rooms' beds. Also, a truck that delivered furniture was too heavy for the bridge onto the island, so Day's mother hauled furniture onto the island in her station wagon. Despite the criticism... fc861dc03b
