Filipino nationalism This served as the backbone of the first nationalist revolution in Asia, the Philippine Revolution of 1896. This gradually emerged from various political and armed movements throughout most of the Spanish East Indies—but which has long been fragmented and inconsistent with contemporary definitions of such nationalism—as a consequence of more than three centuries of Spanish rule. publisher (link) Maca, Mark (April 2018). These movements are characterized by the upsurge of anti-colonialist sentiments and ideals which peaked in the late 19th century led mostly by the ilustrado or landed, educated elites, whether peninsulares, insulares, or native (Indio). "Education in the 'New Society' and the Philippine Labour Export Policy (1972–1986)". The modern concept would later be fully actualized upon the inception of a Philippine state with its contemporary borders after being granted independence by the United States by the 1946 Treaty of Manila. Journal of International Filipino nationalism refers to the establishment and support of a political identity associated with the modern nation-state of the Philippines, leading to a wide-ranging campaign for political, social, and economic freedom in the Philippines 6d1f3c4c63

([miceɫi]) or Miķeļdiena is a Latvian autumn equinox and annual harvest festival and market. Latvian Miķeļi dainas referred to good and rich husbands as bread fathers, who are associated with the autumn harvest ripening. In different regions, the Miķeļi celebration was also called Mikāļiem or Miklāli, but it is also known to other households as Sila Miķelis, Miega Miķelis, and Miega Mača. According to an old calendar, this holiday is celebrated around autumn equinox time (around 21–23 September), when the duration of night is same as the duration of day. 6d1f3c4c63 == References == 6d1f3c4c63 == Title == 6d1f3c4c63 Ginseng has been used in the traditional medicine of Korea and China for centuries, although there is no clinical evidence that it has any

therapeutic effects. There is no substantial evidence that ginseng is effective for treating any medical condition and it has not been approved by the US Food and Drug Administration (FDA) to treat or prevent a disease or to provide a health benefit. Although ginseng is sold as a dietary supplement, inconsistent manufacturing practices for supplements have led to analyses of some ginseng products contaminated with unrelated filler compounds, and its excessive use may have adverse effects or untoward interactions with prescription drugs. 6d1f3c4c63 The Aymara have lived in the region for over 7,250 years. In the late 15th century or early 16th century, Aymaras came under the rule of the Inca Empire and later of the Spanish Empire in the 16th century. Following the Spanish American wars of independence (1810-1825), the Aymara became subjects to the new nations of Bolivia and Peru. After the War of the Pacific (1879-1883), Chile annexed territory inhabited by the Aymara population. 6d1f3c4c63 The name of the Aymara people stems from the word Ayma-ra-mi meaning "a place with many communally owned farms". The word "Aymara" also refers to a group of language dialects of which the origin, spread and time-frame are debated. 6d1f3c4c63

== Background == Moreover, if biological resources and traditional knowledge are taken from indigenous or marginalized groups, the commercialization of their natural resource can harm communities. Despite the medicinal and innovative benefits of bioprospecting and biochemical research, the expropriation of indigenous land for their genetic resources without fair compensation inevitably leads to exploitation. Biopiracy can harm indigenous populations in multiple ways. Without proper compensation or reward for traditional knowledge of natural resources, the sudden increase in commercial value of the species producing the active compound can... Univision is available on pay television providers throughout most of the United States, with local stations in over 60 markets with large Latin American communities. Most of these stations air full local newscasts and other local programming in addition to network shows; in major markets such as Los Angeles, Miami, and New York City, the local newscasts carried by the network's owned-and-operated stations and affiliates are equally competitive with their English-language counterparts ratings-wise. He won the election amid growing frustration with post-EDSA governance that favored elites over ordinary Filipinos. Duterte began a crackdown on illegal drugs and corruption, leading to a reduction in drug proliferation which caused the deaths of 6,600 people. His administration withdrew the Philippines from the International Criminal Court (ICC) after the court launched a preliminary examination into alleged crimes against humanity committed during the crackdown. On March 11, 2025, Duterte was arrested by the Philippine National Police and Interpol after a warrant was issued by the ICC for the alleged crimes during his presidency. The ICC unanimously confirmed all charges on April 23, 2026. == Etymology ==

Biopiracy ; Cragg, Gordon M. Newman, David J. Nebraska Anthropologist. "Natural Products as Sources of New Drugs from Biopiracy is the unauthorized appropriation of knowledge and genetic resources of farming and indigenous communities by individuals or institutions seeking exclusive monopoly control through patents or intellectual property. While bioprospecting is the act of exploring natural resources for undiscovered chemical compounds with medicinal or anti-microbial properties, commercial success from bioprospecting leads to the company's attempt at protecting their intellectual property rights on indigenous medicinal plants, seeds, genetic resources, and traditional medicines.
