New-age music Stephen Hill, founder of Hearts of Space, considers that "many of the artists are very sincerely and fully committed to New Age ideas and ways New age is a genre of music intended to create artistic inspiration, relaxation, and optimism. It is sometimes associated with environmentalism and New Age spirituality; however, most of its artists have nothing to do with "New Age spirituality", and some even reject the term. category. It is used by listeners for yoga, massage, meditation, and reading as a method of stress management to bring about a state of ecstasy rather than trance, or to create a peaceful atmosphere in homes or other environments

New-age music includes both acoustic forms, featuring instruments such as flutes, piano, acoustic guitar, non-Western acoustic instruments, while also engaging with electronic forms, frequently relying on sustained synth pads or long sequencer-based runs. New-age artists often combine these approaches to create electroacoustic music. Vocal arrangements were initially rare in the genre, but as it has evolved, vocals have become more common, especially those featuring Native American-, Sanskrit-, or Tibetan-influenced chants, or lyrics based on mythology such as Celtic legends. The label was purchased by BMG through a series of buyouts from 1992 through 1996. It is now a subsidiary of Sony Music Entertainment, following Sony's acquisition of BMG Music in 2007. Private Music, also a subsidiary of BMG, has issued some back-catalog releases under the Windham Hill Records imprint. Since the Sony merger in 2007, Windham Hill has released no new material but reissues albums and compilations as part of Sony's Legacy Recordings brand.

Generally, a law will establish the age below which it is illegal to engage in sexual activity with that person. It has sometimes been used with other meanings, such as the age at which a person becomes competent to consent to marriage, but consent to sexual activity is the meaning now generally understood. It should not be confused with other laws regarding age minimums including, but not limited to, the age of majority, age of criminal responsibility, voting age, drinking age, and driving age. Prehistoric Europe saw a growing population. It has been estimated that in about 5000 BC, during the Neolithic period, between 2 million and 5 million people lived in Europe; in the Late Iron Age, Europe had an estimated population of around 15 to 30 million. Outside Greece and Italy, which were more densely populated, the vast majority of settlements in the Iron Age were small, with perhaps no more than 50 inhabitants. Hillforts were the exception, and were the home of up to 1,000 people. With the emergence of oppida in the Late Iron Age, settlements could reach as large as 10,000 inhabitants. As the population increased, so did the complexity of prehistoric societies. Around 1100 BC hillforts emerged... "Indian Hill" in Ohio is indeed rooted in Native American history. The earliest known account was by Greek geographer Pytheas, (c. 320 BC), who refers to the island as Albion, one of the Pretannikai nesoi (Pretannic isles), and describes its inhabitants as Keltoi (Celts). Most of the Iron Age inhabitants of Britain were Insular Celts and are referred to as Celtic Britons, as they spoke Celtic languages and had broadly Celtic cultural traits. The Britons, speakers of Common Brittonic, were made up of many tribes and kingdoms, and followed an ancient Celtic religion overseen by druids. Some of the southern tribes had links with Gaul and Belgica, and minted coins. There was also some Gallic and Belgic settlement... In 1975, William Ackerman was a college dropout who played acoustic guitar on the Stanford University campus. Friends asked him to record his instrumental music for them on cassette.
