== Winners and nominees == 83ccd04992 Sebaceous glands inside the pore of the skin produce sebum. When the outer layers of skin shed (a natural and continuous process, normally), dead skin and oily sebum left behind may bond together and form a blockage of the sebaceous gland at the base of the skin. This is most common when the skin becomes thicker at puberty. The sebaceous gland continues to produce sebum, which builds up behind the blockage, allowing bacteria to grow in the area, including the species *Staphylococcus aureus* and *Cutibacterium acnes*, which causes inflammation and infection. Other causes of pimples include family history, stress, fluctuations in hormone levels, hair and skincare products,

medication side effects, and un-diagnosed or underlying medical conditions. Pimples can be part of the presentation of rosacea. 83ccd04992 The play was originally titled *Mistakes of a Night* and its events take place in one long night. The work revolves around Kate Hardcastle, who disguises herself as a barmaid to gain the attention of Charles Marlow, an attractive man who is nervous around upper-class women but confident and bold with those from the class system's lower levels. The plot involves a series of misunderstandings, deceptions and manipulations, primarily orchestrated by Kate, who pretends to be the barmaid to test Marlow's actual character. Ultimately, Marlow realises his mistake and falls in love with Kate's mannerisms, leading... 83ccd04992 Winners are highlighted in boldface: 83ccd04992 Castle Bromwich was originally a Warwickshire village. There has been a settlement here since before Stone Age times. There is evidence that the area was first settled some 5,000 years ago. Romans, Saxons and Normans also settled on this raised piece of land close to a natural ford across the River Tame. The Chester Road runs through the village following the line of a drovers' road called the Welsh Road, the origins of which are probably an ancient trackway from the pre-Roman era.
