TESL and TESOL include English-language programs conducted in English-speaking countries. These classes often serve populations who have immigrated, temporarily or permanently, or whose families speak another language at home. TESL is considered an outdated term, because students may speak more than one language before they study English. TESOL is an umbrella term that includes TEFL and TESL programs, and is widely accepted in the field of English... d76bd6946f There have been many proposals for making International English more accessible to people from different

nationalities but there is no consensus; Basic English is an example, but it failed to make progress. More recently, there have been proposals for English as a lingua franca (ELF) in which non-native speakers take a highly active role in the development of the language. Individual factors like age, motivation, and personality also influence SLA, as seen in discussions on the critical period hypothesis and learning strategies. In addition to acquisition, SLA explores language loss, or second-language attrition, and the impact of formal instruction on learning outcomes. Historical context == A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. For example, the Canadian census defines first language for its purposes as "What is the language that this person first learned at home in childhood and still understands?", recognizing that for some, the earliest language may be lost, a process known as language attrition. This can happen when young children start school or move to a new language environment. As everyone faces the fact that they will have to retake Spanish, Jeff realizes that Annie was the... The English language is the de facto official language of the United Kingdom, and reaffirmed as such in Northern Ireland, Scotland, and Wales. It is an official language of the European Union, and its member states Ireland and Malta.
