Zionist Occupation Government conspiracy theory government. The word Zionist in "Zionist Occupation Government" is used to equate being Jewish with the ideology of Zionism, depicting Zionists as conspiring on behalf of Jews and Israel. Some later versions apply it to the governments of other countries. ZOG is often directly personified as the Anti-Defamation League due to its conflicts with the neo-Nazi movement. The Zionist Occupation Government, Zionist Occupational Government, or Zionist-Occupied Government (ZOG), sometimes also called the Jewish Occupational The Zionist Occupation Government, Zionist Occupational Government, or Zionist-Occupied Government (ZOG), sometimes also called the Jewish Occupational Government (JOG), is a term for the government of the United States used by adherents of an antisemitic conspiracy theory that claims that Jews secretly control the U. Neo-Nazis also use the term ZOG and its derivatives more generically as a pejorative. S

Anticipating a swift victory over Britain, the occupying German forces initially experimented by using a moderate approach to the non-Jewish population, supported by local collaborators. However, the situation grew gradually worse and ended in near-starvation for both occupiers and occupied in the winter of 1944–45. Armed resistance by islanders to the German occupation was nearly non-existent, though there were a number of British forces raids on the islands. Many islanders were employed by the Germans, and Germany imported thousands of forced labourers to build extensive defensive works, such as the war tunnels on the island which spent most of the war acting as a hospital. Estimates of the incidence of sexual violence by Allied occupation personnel differ considerably. Some historians have written that there were a large number of sexual assaults and others that the number was low. During the occupation, tens of thousands of Lebanese civilians were abducted and forcibly disappeared in Ba'athist Syrian prison camps. The whereabouts of an estimated 30,000 of them remain unknown. The occupation ended following intense international pressure and the assassination of former Lebanese Prime Minister Rafic Hariri. The legacy of the occupation continues to influence Lebanese-Syrian relations and Lebanon's internal political dynamics. The story behind the episode was inspired by several wars and occupations in the past, including the Quartering Acts and the Iraq War. Several parts of the episode changed from the script, more predominantly the scenes involving a suicide bombing. The producers were worried that the Sci Fi Channel would not allow the inclusion of the scene. The episode was seen by 2.2 million viewers... By 1945 U.S. troops were entering and occupying territory with a Japanese civilian population. On February 19, 1945, U.S. troops landed on Iwo Jima, and on April 1, 1945, on Okinawa.
