Noted for its biting irony and bitter rhetoric, and acute textual analysis of the U.S. Constitution, the Declaration of Independence, and the Christian Bible, the speech is among the most widely known of all of Douglass's writings. Many copies of one section of it, beginning in paragraph 32, have been circulated online. Due to this and the variant titles given to it in various places, and the fact that it is called a July Fourth Oration but was actually delivered on July 5, some confusion has arisen about the date and contents of the speech. The speech has since been published... 1bde647828 The visibility of the bike rack, adequate spacing from automobile parking and pedestrian traffic, weather coverage, and proximity to destinations are all important factors determining usefulness of a bicycle rack, helping to increase its usage and assure cyclists that their bikes are securely parked. 1bde647828

What to the Slave Is the Fourth of July? Douglass referred not only to the captivity of slaves, but to the merciless exploitation and the cruelty and torture that slaves were subjected to in the United States. In the address, Douglass states that positive statements about perceived American values, such as liberty, citizenship, and freedom, were an offense to the enslaved population of the United States because they lacked those rights. Douglass then pivots to the present, stating that "We have to do with the past only as we can make it useful to the present and to "What to the Slave Is the Fourth of July.
