TAMS was established on June 23, 1987 by the 70th Texas Legislature, in order to provide high school students an opportunity to take advanced coursework in math, science, and engineering. It was designed as a residential program at the University of North Texas for high school-aged students gifted in mathematics and science. cef606957a Students live in residence halls located on the Middle Georgia State University campus in Cochran, interact with faculty, and are given similar status to traditional students within the university. When students complete... cef606957a == History == cef606957a

Kansas Academy of Mathematics and Science high school juniors and seniors The Kansas Academy of Mathematics and Science (KAMS) is a two-year, residential, early-entrance-to-college program for U. S. Located on the Fort Hays State University campus in Hays, Kansas, students concurrently complete their last two years of high school, while earning over 60 college credits. S. Kansas Academy of Mathematics and Science (KAMS) is a two-year, residential, early-entrance-to-college program for U. high school juniors and seniors who are academically talented in the areas of mathematics and science cef606957a

Indiana Academy for Science, Mathematics, and Humanities The application process includes providing student information, an essay, and various short answer questions. In the 2022–2023 academic year, a non-residential-only program for high school sophomores was added. Admission is open to high ability, gifted, and talented high school students living anywhere in Indiana. The Indiana Academy for Science, Mathematics, and Humanities (The Indiana Academy) is a nationally ranked public boarding magnet high school located on The Indiana Academy for Science, Mathematics, and Humanities (The Indiana Academy) is a nationally ranked public boarding magnet high school located on the campus of Ball State University in Muncie, Indiana. The Academy offers both residential and non-residential (commuter) options for juniors and seniors cef606957a

Enrollment is generally offered to incoming sophomores, although younger students who have had the equivalent of one year of algebra and a 9th-grade science equivalent are eligible to apply. All applicants undergo a competitive admissions process involving the review of transcripts, teacher and counselor evaluations, student essays, and SAT or ACT scores. Historically, approximately one-third of applicants in any given year are admitted. Due to its nature as a public institution, there are no charges related to tuition, room, and board; however, there is an annual student fee that may be reduced or waived based on family income. cef606957a

Georgia Academy of Arts, Mathematics, Engineering and Science (GAMES), is a dual-enrollment early college entrance program created in 1997 and facilitated by the University System of Georgia in the United States. Typically, juniors in high school who meet the base requirements of GPA and SAT/ACT scores may apply and be admitted to the two-year program which is located at the Cochran, Georgia campus of Middle Georgia State University, although rising seniors and exceptional sophomores may also apply. k. Students at the Georgia Academy receive college-level education with specialization in the fields of the arts, mathematics, engineering and science. a. k. The Georgia Academy (formerly the Georgia Academy of Arts, Mathematics, Engineering and Sciences, a. a. Academy students take a full college course load and can participate in activities

such as the Honors Program, Undergraduate Research, and collegiate clubs such as Science Club, Anime Club, Dungeons & Dragons, the PSYCH-KNIGHTS, Model African Union, Mock Mediation and Math Competition. GAMES), is a dual-enrollment early college entrance The Georgia Academy (formerly the Georgia Academy of Arts, Mathematics, Engineering and Sciences, a cef606957a

North Carolina School of Science and Mathematics NCSSM is a founding member of the National Consortium of Secondary STEM Schools (NCSSS) and a constituent institution of the University of North Carolina system. It accepts rising juniors from across North Carolina and enrolls them through senior year. Mathematics and Science in Kentucky Craft Academy for Excellence in Science and Mathematics Illinois Mathematics and Science Academy Indiana Academy for The North Carolina School of Science and Mathematics (NCSSM) is a two-year, public residential high school with two physical campuses located in Durham, North Carolina, and Morganton, North Carolina, that focuses on the intensive study of science, mathematics and technology. Although NCSSM is a public school, enrollment is extremely selective, and applicants undergo a competitive review process for admission cef606957a

Proviso Mathematics and Science Academy Proviso Mathematics and Science Academy is a selective enrollment high school in Forest Park, Illinois, United States that opened to 126 freshmen in 2005 Proviso Mathematics and Science Academy is a selective enrollment high school in Forest Park, Illinois, United States that opened to 126 freshmen in 2005. It serves students in many towns in western Cook County including Forest Park, Berkeley, Broadview, Maywood, Melrose Park, Stone Park, Hillside, Bellwood, and Westchester among others. It is one of the newest schools in the Proviso Township High Schools District 209. In May 2023, the school was named within the top ten Illinois High Schools, placing 6th in U. News & World Report. S cef606957a

The Kansas Academy of Mathematics and Science was established by legislative action in 2006 by the Kansas Legislature. The establishment of this program stemmed from national concern regarding anticipated shortages of students who would be sufficiently well prepared in mathematical and scientific problem solving. Recognizing that American youth would need to compete in an increasingly technological global society, Kansas is the 16th state to create alternative educational programs that would attract students to the fields of mathematics and science as well as offer young students an accelerated education in these areas of study. cef606957a Chicago Math and Science Academy cef606957a The school was founded in 1989 as a unique public-private partnership. The Alabama School of Mathematics and Science is part of the state government, while the Alabama School of Mathematics and Science Foundation coordinates private support. It was modeled after the North Carolina School of Science and Mathematics and the Louisiana School for Math, Science, and the Arts where students complete their final two or three years of high school focusing on advanced studies in mathematics and the sciences. Although a boarding school, it does not charge for tuition, books, room, or board. The only fees include an annual student activity fee, which covers class trips and other day-to-day activities, along with an enrollment fee (for new students only), a PSAT fee, and a graduation fee. The annual student activity fee is approximately \$1,575. ASMS' focus is preparing its students for higher education, and residency is a requirement for all students... cef606957a Illinois Mathematics and Science Academy cef606957a The Gatton Academy opened in 2007 after 10 years of planning,

including the retrofitting of Florence Schneider Hall on the campus of Western Kentucky University to accommodate both the Academy and the Western Kentucky University Center for Gifted Studies, both of which were to be directed by Julia Link Roberts. The Academy was largely supported by a donation from Carol Martin "Bill" Gatton, a Kentucky-born entrepreneur and philanthropist known for his contributions to higher education. cef606957a Hawthorne Math and Science Academy cef606957a Nearly 95%[1] of graduates will attend 4-year colleges or other post-secondary education. For the Class of 2024, the average SAT score was 1265 vs the Indiana average of 1073 and the National average of 1105. The Indiana Academy offers courses in twelve AP subjects. cef606957a == History == cef606957a

Alabama School of Mathematics and Science Mathematics and Science in Kentucky Craft Academy for Excellence in Science and Mathematics Illinois Mathematics and Science Academy Indiana Academy for The Alabama School of Mathematics and Science (ASMS) is a public residential high school in the Midtown neighborhood of Mobile, Alabama. ASMS is a member of the National Consortium of Secondary STEM Schools (NCSSS). It graduated its first class in 1993 cef606957a

Most people accepted to IMSA live in the state of Illinois; however, a limited number of out-of-staters are accepted each year. They are primarily from neighboring states, such as Wisconsin, Indiana, and Kentucky. cef606957a The school mascot is Monty the Python; school colors are purple and black. As there are no sports facilities at the Academy, students play sports including baseball, basketball, football, track and field, softball, volleyball... cef606957a The Indiana Academy was founded in 1988 by the Indiana General Assembly. and is a part of Ball State's Teachers College. The first group of Academy juniors started in the fall of 1990. cef606957a
