The most common cause is an infection of the intestines due to a virus, bacterium, or parasite—a condition also known as gastroenteritis. These infections are often acquired from food or water that has been contaminated by feces, or directly from another person who is infected. The three types of diarrhea are: short duration watery diarrhea, short duration bloody diarrhea, and persistent diarrhea (lasting more than two weeks, which can be either watery or bloody). The short duration watery diarrhea may be due to cholera, although this is rare in the developed world. If blood is present, it is also known as dysentery... fc92806d1c Many of SNL's ad parodies have been featured in prime-time clip shows over the years, including an April 1991 special hosted by Kevin Nealon and Victoria Jackson, as well as an early 1999 follow-up hosted by Will Ferrell that features his attempts to audition for a feminine hygiene commercial.
