== Films == Throughout much of its existence, the university has had a precarious existence, in the earlier years characterised by lack of governmental support and funding. In the 1950s, the University of El Salvador faced opposition from the authoritarian government of the country and many of the students and university professors were victims of the military repression. In the 1970s student uprisings took place. On July 19, 1972, the government of Colonel... == History ==
