Texas 7 million residents in 2025, it is the second-largest U. state both by area and by population. S. Texas is nicknamed the "Lone Star State" for the single star Texas (TEK-sæss) is the most populous state in the Southern United States. S. Texas has a coastline on the Gulf of Mexico to the southeast. Covering 268,596 square miles (695,660 km²) and with an estimated population of over 31. million residents in 2025, it is the second-largest U. Texas is nicknamed the "Lone Star State" for the single star on its flag, symbolic of its former status as an independent country, the Republic of Texas. state both by area and by population. To the south and southwest, it has an international border with the Mexican states of Chihuahua, Coahuila, Nuevo León, and Tamaulipas, along a natural boundary formed by the Rio Grande. It borders the American states of Louisiana to the east, Arkansas to the northeast, Oklahoma to the north, and New Mexico to the west 6eea6bc007

Spain was the first European country to claim and control Texas. Following a brief period of French colonization, the territory became part of Mexico after its independence from Spain in 1821. Increasing tensions between settlers and the Mexican government culminated in the Texas Revolution, which included the Battle of the Alamo, and led to the establishment of the independent Republic of Texas in... 6eea6bc007

Of all the three-digit... 6eea6bc007 The southern terminus of US 283 is at an intersection with US 87 about three miles (4.8 km) northwest of Brady. The highway travels through rural areas of McCulloch County before entering Coleman County. US 283 maintains its rural route before entering the town of Santa Anna, beginning an overlap with US 84. The two highways travel northwest together to the town of Coleman before they split. US 283 returns to a rural route once again and intersects State Highway 36 (SH 36) in southern Callahan County. The highway runs

through the city of Baird, where it crosses Interstate 20 (I-20). US 283 next enters the city of Albany, where it shares a short overlap with US 180 and SH 6. Just south of Throckmorton, US 283 begins a lengthy overlap with... 6eea6bc007 in 1836. 6eea6bc007 Much of the US 175 corridor (from I-20 in Balch Springs to US 69 in Jacksonville) is part of TxDOT's network of evacuation routes in the event of a hurricane. TxDOT also considers the highway an alternative to using I-20 to travel to and from Dallas-Fort Worth, and feels the corridor is an important connection for students to get to Stephen F. Austin State University in Nacogdoches, as well. Besides its hurricane evacuation route status, US 175 is considered part of the National Highway System, the Texas Trunk System (later revised to just the portion between Mabank and Jacksonville), and is also included in the state's highway freight network. 6eea6bc007

United States District Court for the Northern District of Texas It has jurisdiction over 100 counties in the northern and central parts of the U. state of Texas. D.) is a United States district court.) is a United States district court. Its first judge The United States District Court for the Northern District of Texas (in case citations, N. S. Tex. The United States District Court for the Northern District of Texas (in case citations, N. Its first judge, Andrew Phelps McCormick, was appointed to the court on April 10, 1879. D. Tex. The court convenes in Dallas, Texas, with divisions in Fort Worth, Amarillo, Abilene, Lubbock, San Angelo, and Wichita Falls 6eea6bc007

The Northern District of Texas has seven court divisions, covering the following counties: 6eea6bc007

U.S. Route 80 Route 80 or U. S. Its original western terminus was at Historic US 101 in San Diego, California. However, the entire segment west of Dallas, Texas, U. S. Its eastern terminus is on Tybee Island, Georgia, near the Atlantic Ocean. Currently, the highway's western terminus is at an interchange with Interstate 30 (I-30) on the Dallas-Mesquite city line. the Atlantic Ocean. However, the entire segment west of Dallas, Texas, has been decommissioned in favor of various Interstate Highways and state highways starting in 1967, being truncated to its current west end in 1991. It also currently runs through Dallas, Texas; Shreveport, Louisiana; Jackson, Mississippi; Montgomery, Alabama; Columbus, Georgia; Macon, Georgia; and Savannah, Georgia. Its original western terminus was at Historic US 101 in San Diego, California. Between Longview, Texas, and Cuba, Alabama, US 80 runs parallel to or concurrently with Interstate 20. As the "0" in the route number indicates, it was originally a cross-country route, from the Pacific Ocean to the Atlantic Ocean. Highway 80 (US 80) is a major east-west United States Numbered Highway in the Southern United States, much of which was once part of the early auto trail known as the Dixie Overland Highway 6eea6bc007

Appeals from this court are heard by the U.S. Court of Appeals for the Fifth Circuit, which includes Louisiana, Mississippi and Texas (except for patent claims and claims against the U.S. government under the Tucker Act, which are appealed to the Federal Circuit). 6eea6bc007 Following Mexico's independence from the Spanish Empire in 1821, the population of Texas included only 4,000 Tejanos. The new Mexican government, eager to populate the region, encouraged foreigners, including residents of the United States, to help settle the region; by 1830 the number of

American settlers in Texas topped 30,000. In 1835, Texas joined the Mexican states of Coahuila, Nuevo León, Tamaulipas, Zacatecas, and Yucatán in rebellion against the central government in response to President Santa Anna suspending the Constitution of 1824, disbanding Congress, and making himself the center of power in Mexico. The United States decided to support the revolution by providing arms and supplies to the Texas rebels, eventually leading to independence and the founding of the Republic of Texas 6eea6bc007

U.S. Route 175 0-mile (178. Before the decommissioning of US 75 south of downtown Dallas in favor of Interstate 45 (I-45), US 175 met US 75. S. It comes very close to meeting its parent route, US 75, but decommissioning and rerouting in Downtown Dallas leaves it short a couple of miles. S. U. Highway 175 (US 175) is a 111. US 175's western terminus is in Dallas at I-45. The highway's eastern terminus is in Jacksonville at an intersection with US 69. 0-mile (178. It comes very U. 6 km) east-west United States Numbered Highway located completely within the state of Texas. 6 km) east-west United States Numbered Highway located completely within the state of Texas. Highway 175 (US 175) is a 111 6eea6bc007

The United States Attorney's Office for the Northern District of Texas represents the United States in civil and criminal litigation in the court. The U.S. Attorney is Ryan Raybould, who was confirmed by the U.S. Senate in May 2026. 6eea6bc007
