Words of estimative probability A well-chosen WEP gives a decision maker a clear and unambiguous estimate upon which to base a decision. An ineffective WEP places the decision maker in the role of the analyst, increasing the likelihood of poor or snap decision making. Ineffective WEPs are vague or misleading about the likelihood of an event. We use “probably” and “likely” to indicate there is a greater than even chance. We use words such as “we cannot dismiss”, “we cannot rule out”, and “we Words of estimative probability (WEP or WEPs) are terms used by intelligence analysts in the production of analytic reports to convey the likelihood of a future event occurring. Some intelligence and policy failures appear to be related to the imprecise use of estimative words

1bc13b1d36 In 1920, after the incorporation of Transylvania, Bukovina, Bessarabia and parts of Banat, Crișana, and Maramureș, the Romanian state reached its largest peacetime geographical extent (295,049 km²). Today, the concept serves as a guiding principle for the unification of Moldova and Romania. 1bc13b1d36 Most of the commission's recommendations were accepted, but the number of new boroughs was... 1bc13b1d36 The theme of national identity had been always a key concern for Romanian culture and politics. The Romanian national ideology in the first decades of the twentieth century was a typical example of ethnocentric nationalism. The concept of "Greater Romania" shows similarities to the idea of national state. The Romanian territorial claims were based on "primordial racial modalities", the essential goal of them was to unify the biologically defined Romanians.

List of English words of Māori origin For most The following English words are loanwords from the Māori language. All of these words are commonly encountered in New Zealand English, and several (such as kiwi) are widely used across other varieties of English, and in other languages. Many of them concern native New Zealand flora and fauna that were known prior to the arrival of Europeans in New Zealand. Other terms relate to Māori customs. across other varieties of English, and in other languages. The Māori alphabet includes both long and short vowels, which change the meaning of words

In 1957 a Royal Commission on Local Government in Greater London had been set up under Sir Edwin Herbert to consider the local government arrangements in the London area. The proposed objectives of this union were to ensure economic self-sufficiency and cooperation among the member states,

along with resisting the influence of Western imperialism and Soviet communism. In reality, militarists and nationalists saw it as an effective propaganda tool to enforce Japanese hegemony. The latter approach was reflected in a document released by Japan's Ministry of Health and Welfare, An Investigation of Global Policy with the Yamato Race as Nucleus, which promoted Japanese supremacist theories. Japanese spokesmen openly described the Greater East Asia Co-Prosperity Sphere as a device for the "development of the Japanese race." When World War II ended, the Greater East Asia Co-Prosperity Sphere became... 1bc13b1d36 Compared to other source languages, English contains few words adopted from Russian. Direct borrowing first began with contact between England and Russia in the 16th century and picked up heavily in the 20th century, with the establishment of the Soviet Union as a major world power. Most of these words denote things and notions specific to Russia, Russian culture, politics, and history, but also well known outside Russia. Some others are in mainstream usage and independent of any Russian context. 1bc13b1d36 == History == 1bc13b1d36 The Māori alphabet includes both long and short vowels, which change the meaning of words. For most of the 20th century, these were not indicated by spelling, except sometimes as double vowels (paaua). Since the 1980s, the standard way to indicate long vowels is with a macron (pāua). Since about 2015, macrons have rapidly become standard usage for Māori loanwords in New Zealand English in media, law, government, and education. Recently some anglicised words have been replaced with spellings that better reflect the original Māori word (Whanganui for Wanganui, Remutaka for Rimutaka). 1bc13b1d36
