== Types of practical joke devices == Most episodes have multiple subplots, and deal with villain Bob Wire's attempts of stealing the crown and becoming king himself; however, he is regularly foiled by Russell or his friends. Other recurring themes are the attempts of Cliff, who was the former king of Under, to bully Russell into handing over the crown while he's in Up; and various confrontations between Under and the neighboring country of Near Under. Added to this are issues involving monsters, money, environmental issues, and even time travel. Other species simply tolerate cohabiting around humans and use the remaining urban forests, parklands, green spaces and garden/street vegetations as niche habitats, in some cases gradually becoming sufficiently accustomed around humans to also become synanthropic over time. These species represent a minority of the natural creatures that would normally inhabit an area, and contain a large proportions of feral and introduced species as opposed to truly native species. For example, a 2014 compilation of studies (which were biased towards work in Europe, with very few studies from south and southeast Asia) found that only 8% of native bird and 25% of native plant species were...
