Neoliberalism in Peru The term has multiple, competing definitions, and is often used pejoratively. Neoliberalism is a political and economic ideology that advocates for free-market capitalism, and is known as Neoliberalismo in Spanish. Although it suffered a setback in 1998, during the 1997 Asian financial crisis, it recovered and intensified during the period of greatest economic growth, driven by the commodities boom, between 2003 and 2013. It is one of the most comprehensive and longest-lasting implementations in Latin America, due to comparatively weak political opposition to neoliberalism.
