That summer, Swings triggered a "Control Diss Phenomenon" within the Korean hip hop scene with the release of his diss track "King Swings Part 2", over the instrumental of Big Sean's "Control", in which he accused rapper Simon Dominic of not protecting his Supreme Team member E-Sens from an alleged slave contract offered by label Amoeba Culture. Swings was named Artist of the Year for 2013 by Korean hip hop magazine HIPHOPPLAYA. 61534b7f5d Mood also differs from temperament or personality traits which are even longer-lasting. Nevertheless, personality traits such as optimism and neuroticism predispose certain types of moods. Long-term disturbances of mood such as clinical depression and bipolar disorder are considered mood disorders. Mood is an internal, subjective state, but it often can be inferred from posture and other behaviors. "We can be sent into a mood by an unexpected event, from the happiness of seeing an old friend to the anger of discovering betrayal by a partner. We may also fall into a mood." 61534b7f5d == Terminology == 61534b7f5d Definitions of the terms mood swings, mood instability, affective lability, or emotional lability are commonly similar, which describe fluctuating or oscillating of mood and emotions. But each has unique characteristics that are used to describe specific phenomena or patterns of oscillation. Different from emotions or affect, mood is associated with emotional responses without knowing the reason (being unaware). 61534b7f5d
