

Dolor En La Espalda Alta

== Overview == fcef63a552 Since 1961, ETA conducted many attacks against a variety of targets. Because these attacks number in the hundreds over a span of more than 45 years, not all can be included here. This incomplete list may include attacks noted for being the first of their kind made by the organization, first in a particular area, notability of targets, large number of victims, unique method of attack, or other historic significance. The list is of those attacks described above between 1961 and 2011. fcef63a552
