In the case of non-planned inauguration ceremonies (such as those that take place as a result of the death or resignation of a president), the non essential festivities, including the investiture with the presidential sash, do not take place: in those cases, the inauguration of the new president consists only of the joint session of Congress, during which the new president takes the constitutional oath. The result was also questioned by the Episcopal Conference of Mozambique and the European Union, while deadly protests broke out over the election results, with at least 400 deaths, mostly demonstrators being killed by police and army forces. fd4dd4f507 Some oaths of office are statements of allegiance and loyalty to a constitution or other legal text or to a person or office-holder (e.g., an oath to support the constitution of the state, or of loyalty to the king or queen) (see Oath of allegiance).
