

Puking Up Yellow Bile

Vomiting can be the result of ailments such as food poisoning, gastroenteritis, pregnancy, motion sickness, or hangover; or it can be an after effect of diseases such as brain tumors, elevated intracranial pressure, or overexposure to ionizing radiation. The feeling that one is about to vomit is called nausea; it often precedes, but does not always lead to vomiting. Impairment due to alcohol, anesthesia, or other sedatives can cause inhalation of vomit. In severe cases, where dehydration develops, intravenous fluid may be required. Antiemetics are sometimes necessary to suppress nausea and vomiting. Self-induced vomiting can be a component of an eating disorder such as bulimia nervosa, and is itself now classified as an eating disorder on its own, purging disorder. dfa22f4112 It's due to be closed tomorrow, and anyway the nominator (the only delete) is now leaning a bit more towards keep. The format was created by Garrero. Each of the presenters picks a short clip, then take turns to pick a feature-length documentary, followed by a second short clip each, ending with one of them choosing a book (originally three books were discussed) all related to sport. They discuss the clips, documentary and book as well as taking various detours to discuss a diverse range of subjects loosely related to the original clips. In March 2021 the second round of clips were made available to Patreon subscribers only and in April 2023 the Non-Patreon version of the podcast was split into two episodes, made available on Wednesdays and Fridays. The Patreon version continues to be released on Tuesdays. dfa22f4112 == AfD == dfa22f4112

The son of Aelius Nikon, a wealthy Greek architect with scholarly interests, Galen received a comprehensive education that prepared him for a successful career as a physician and philosopher. Born in the ancient city of Pergamon (present-day Bergama, Turkey), Galen traveled extensively, exposing himself to a wide variety of medical theories and discoveries before settling in Rome, where he served prominent members of Roman society and eventually was given the position of personal physician to several emperors. dfa22f4112 Wikipedia:Articles for deletion/Indie Game Jam is a trainwreck with no hope of consensus.
