

Cefazolin For Staph Infection

List of antibiotics people for many years. However, these classifications are based on laboratory behavior. Also, both people and animals have used antibiotics to treat infections and diseases. The development of antibiotics has had a profound effect on the health of people for many years. Also, both people and animals have used antibiotics to treat infections and diseases. The highest division between antibiotics is bactericidal and bacteriostatic. In practice, both treat bacterial infections. The following is a list of antibiotics. Bactericidals kill bacteria directly, whereas bacteriostatics prevent them from dividing. In practice, both treat bacterial infections

The following are lists of antibiotics for specific microbial coverage (not an exhaustive list):
