An English dub of the series was directed by Tom Wyner, which featured the voices of Cam Clarke (Rigodon), Gregory Snegoff (Inspector Dix), and Mike Reynolds (additional voices). It was broadcast on the BBC in the United Kingdom in 1984 and on RTÉ in Ireland. The series was also dubbed into Japanese and aired on Japan's TV Asahi in 1987, where it was titled Anime Around the World in 80 Days (アニメ80日世界一周, Anime Hachijūnichikan Sekai Isshū). c31b25daa3 The First Congress of Independent African States was held in Accra, Ghana on 15 April 1958. It was convened by the Prime Minister of Ghana, Dr. Kwame Nkrumah, and comprised representatives from Egypt (then a constituent part of the United Arab Republic), Ethiopia, Liberia, Libya, Morocco, Sudan, Tunisia, the Union of the Peoples of Cameroon, and the host country, Ghana. The Union of South Africa was not invited. The conference showcased progress of liberation movements on the African continent in addition to symbolizing the determination of the people of Africa to free themselves from foreign domination and exploitation. Although the Pan-African Congress had been working towards similar goals since its foundation in 1900, this was the first time such a meeting had taken place on African soil. c31b25daa3

Growth of the Soil The novel employed literary techniques new to the time such as stream of consciousness. It follows the story of a man who settles and lives in rural Norway. The novel was written in the popular style of Norwegian new realism, a movement dominating the early 20th century. The first book focuses almost solely on the story of Isak and his family and the second book starts off by following the plight of Axel and ends mainly focusing on Isak's family. The novel exemplified Hamsun's aversion to modernity and inclination towards primitivism and the agrarian lifestyle. First published in 1917, it has since been translated from Norwegian into many languages including English. Hamsun tended to stress the relationship between his characters and the natural environment. It follows the story of a Growth of the Soil (Norwegian: Markens Grøde) is a novel by Knut Hamsun which won him the Nobel Prize in Literature in 1920. Anzac Day marks the anniversary of the first campaign that led to major casualties for Australian and New Zealand forces during the First World War. The acronym ANZAC stands for Australian and New Zealand Army Corps, whose soldiers were known as Anzacs. Anzac Day remains one of the most important national occasions of both Australia and New Zealand; however, the ceremonies and their meanings have changed significantly since 1915. According to Martin Crotty, a historian at the University of Queensland, Anzac commemorations have "suited political purposes right from 1916 when the first Anzac Day march was held in London and Australia, which were very much around trying... c31b25daa3 == Theme == c31b25daa3 == Plot == c31b25daa3

In 1969 at a UNESCO conference in San Francisco, the peace activist John McConnell proposed a day to honor the Earth and the concept of peace, to first be observed on March 21, 1970, the first day of spring in the northern hemisphere. This day of nature's equipoise was later sanctioned in a proclamation written by McConnell and signed by Secretary General U Thant at the United Nations. A month later, United States senator Gaylord Nelson proposed the idea to hold a nationwide environmental teach-in on April 22, 1970, and hired a young activist, Denis Hayes, to be the national coordinator. The name "Earth Day" was coined by the advertising writer Julian Koenig. Hayes and his staff grew the event beyond the original idea for a teach-in to include the entire United States. c31b25daa3 World Environment Day was established in 1972 by the United Nations at the Stockholm Conference on the Human Environment (5–16 June... c31b25daa3
