Adams confirmed that the album would be called *So Happy It Hurts*, describing the album as a "return to life" after the COVID-19 pandemic. Describing the album, he also said: "The pandemic and lockdown really brought home the truth that spontaneity can be taken away," he said in a press release. "Suddenly all touring stopped, no one could jump in the car and go. The title song 'So Happy It Hurts' is about freedom, autonomy, spontaneity and the thrill of the open road. The album of the same name touches on many of the ephemeral things in life that are really the secret to happiness and, most importantly, human connection."
