The Dark Tower (series) Incorporating themes from multiple genres, including dark fantasy, science fantasy, horror, and Western, it describes a "gunslinger" and his quest toward a tower, the nature of which is both physical and metaphorical. The series, and its use of the Dark Tower, expands upon Stephen King's. According to King, the idea was a new Dark Tower novel. King said, regarding The Dark Tower, "It's not really The Dark Tower is a series of eight novels, one novella, and a children's book written by American author Stephen King. bits and pieces so I guess it will be a novel

The series, particularly for its debut game, is widely acknowledged as an early instance of survival horror video games and (along with Sweet Home) is often credited with the creation of the genre. The original story was based on the writings of H. P. Lovecraft; later games in the series drew inspiration from other sources including voodoo, the Wild West, and the works of H. R. Giger. Seven installments of the series have been created, with various themes and locations. Two comic books and two films were created based upon the games.

Dance in the Dark It includes a spoken interlude, where Gaga lists famous dead people. The lyrics are about a woman who prefers to have sex in the dark as she is insecure in her body. A Europop track, it contains retro and new wave music influences, and begins with a stuttering introduction. She co-wrote the track with its producer Fernando Garibay. Having met such women while working on the MAC AIDS Fund, Gaga said that the song is not about freedom, but rather the assurance that she understood their feelings.
