Voting intention estimates refer mainly to a hypothetical Congress of Deputies election. Polls are listed in reverse chronological order, showing the most recent first and using the dates when the survey fieldwork was done, as opposed to the date of publication. Where the fieldwork dates are unknown, the date of publication is given instead. The highest percentage figure in each polling survey is displayed with its background shaded in the leading party's colour. If a tie ensues, this is applied to the figures with the highest percentages. The "Lead" column on the right shows the percentage-point difference between the parties with the highest percentages in a poll. 011b31e426 == History == 011b31e426 Voting intention estimates refer mainly to a hypothetical Congress of Deputies election. When Adolf Hitler became chancellor of Germany in 1933, thousands of Jews began to fear persecution due to the antisemitic rhetoric of the Third Reich and the popularity of Hitler's famous book, Mein Kampf. Thus, German Jews emigrated to Mexico via ships bound to Port of

Veracruz. The port authority began accepting Jewish refugees as early as 1937, albeit unofficially, due to the controversial nature of the Jewish question and the rising antisemitism in the politics of Caribbean countries. On 12 June 2026, Filmin signed an agreement to acquire Elastica's acquisitions and distribution operations; the two companies remain autonomous, with their teams set to work together on acquisitions.
