states scheme by dividing the United States and Canada into "The United States of Canada" and "Jesusland". Slate also covered the image and posited that it might be the reason the Canadian immigration website received six times its usual page views the day after the 2004 election. S. The Freakonomics blog opined that the map reflected the "despair, division, and bitterness" of the election campaign and results. S. by dividing the United States and Canada into "The United States of Canada" and "Jesusland"; 3b1e37cc52

a fictional country in the 1966 novel Colossus (novel) 3b1e37cc52 America's foundations were initially Western-based, and primarily English-derived, but also with prominent French, German, Greek, Irish, Italian, Scottish, Welsh, Jewish, Polish, Scandinavian, and Spanish regional influences. Hispanic American cultures were also regionally influential since colonial times. However, non-Western influences, including African and Indigenous cultures, and more recently, Asian cultures, have firmly established themselves in the fabric of American culture. Since the United States was established in 1776, its culture has been influenced by successive waves of immigrants, and the resulting "melting pot" of cultures has been a distinguishing feature of its society. Americans pioneered or made great strides in musical genres such as heavy metal, rhythm... 3b1e37cc52 United States National Grid 3b1e37cc52
