No biological mechanism is proposed how magnesium ions would overcome the rapid physiological redistribution after reaching the brain, justifying targeted delivery. 8c4966e22f 02:21:21 (2, 4, 5) (EDIT) User:69.183.168.254 (contribs, talk) edited 1,4-Dichlorobenzene (diff, hist)Changed: 'OtherNames' ('''para''-Dichlorobenzene
