2017 United Express passenger removal Dao, a pulmonologist, refused to leave his seat when directed because he needed to see patients the following day. passengers. The incident is widely characterized by critics - and later by United Airlines itself - as an example of mishandled customer service. The incident is widely characterized by critics - and later by United Airlines itself - as an example of mishandled customer service. A video On April 9, 2017, at Chicago O'Hare International Airport, four paying customers were selected to be involuntarily deplaned from United Express Flight 3411 to make room for four deadheading employees. In the process of removing him, the security officers struck his face against an armrest, then dragged him - bloodied, bruised, and unconscious - by his arms down the aircraft aisle, past rows of onlooking passengers. One of these passengers was David Dao, 69, a Vietnamese-American physician who was injured when he was physically assaulted and forcefully removed from the flight by Chicago Department of Aviation security officers 8304a647d5
