

What S Good For Toothache

St Mary's is rare for a Scottish church in that it has survived into the modern era without any major alterations. Although surviving medieval churches are reasonably common throughout the country, almost all were significantly altered during and after the Reformation, often so heavily transformed that it is difficult to see their medieval origins. Of the few other churches which have survived the Reformation largely intact, e.g. Rosslyn Chapel in Midlothian, nearly all are of a later date than Auchindoir.

Marriott's previous album Are We There Yet? had peaked at number 17 on the UK Albums Chart in 2023. He wrote his second album over the course of the following year while undergoing psychotherapy and had recorded it by July 2024 over three weeks at Big Jelly Studios in Ramsgate. In an interview with Dork, he stated how he "wanted to take [the album] in a direction that was a little bit less indie-rock and more indie-pop" as he felt that parts of Are We There Yet? were slightly self-indulgent. 9526f96e84 The early 13th-century kirk has been roofless since the early 19th century, but the walls and gables are nevertheless in good condition.
