== January 2020 == 8e771a789a == Background == 8e771a789a On January 30, 2020, before the declaration of a pandemic by the World Health Organization the Government of Mexico designed a Preparation and Response Plan that was made by the National Committee for Health Safety, a working group led by Secretariat of Health composed by different health entities aiming to act upon the imminent arrival of the pandemic. This group carried out a series of alert measures, rehabilitation and updating of epidemiological regulations based on the International Health Regulations, being the first Latam country that deployed a mathematical modelling of infectious disease. 8e771a789a
