In the middle of the 19th century, the city was an important destination on the Underground Railroad as refugee slaves took ships across Lake Erie to Canada. In the late 19th century, the city became a major coal port on Lake Erie. Coal and iron were shipped here, the latter from the Mesabi Range in Minnesota. The city attracted immigrants from Finland, Sweden, and Italy in the industrial period. Ashtabula hosts an annual Blessing of the Fleet Celebration, usually in late May or early June. As part of the celebration, a religious procession and prayer service is held at Ashtabula Harbor. The city was the site of the FinnFestUSA in 2007, a celebration of Finnish Americans. f3a1649804 The hospital operates the county's only cardiac catheterization lab and behavioral medicine unit, in addition to a sleep disorders lab, as well as many specialized services. The Ashtabula Clinic is a multi-speciality group physician practice connected to the hospital. f3a1649804

Milford Graves ". "Milford Graves Full Mantis review - cutting-edge drums and terrific storytelling" Milford Graves (August 20, 1941 - February 12, 2021) was an American jazz drummer, percussionist, Professor Emeritus of Music, researcher/inventor, visual artist/sculptor, gardener/herbalist, and martial artist. September 6, 2018. The composer and saxophonist John Zorn referred to Graves as "basically a 20th-century shaman. Graves was noteworthy for his early avant-garde contributions in the 1960s with Paul Bley, Albert Ayler, and the New York Art Quartet, and is considered to be a free jazz pioneer, liberating percussion from its timekeeping role. Clarke, Cath (August 30, 2018). Retrieved May 28, 2020
