Batman: Curse of the White Knight is set one year after the events of Batman: White Knight, with the Joker enlisting Azrael, a knight of the Order of St. Dumas, to aid him in his latest scheme against Batman, which involves exposing a shocking secret regarding the Wayne family's legacy and its influence throughout Gotham City's history since its founding. As the mystery of his ancestry unravels, Batman must protect Gotham and his loved ones from both the Joker and Azrael in one last showdown that might decide the city's future and prosperity.

Kimonos have a set method of construction and are typically made from a long, narrow bolt of cloth known as a tanmono, though Western-style fabric bolts are also sometimes used. There are different types of kimono for men, women, and children, varying based on the occasion, the season, the wearer's age, and – less commonly in the modern day – the wearer's marital status. Despite the kimono's reputation as a formal and difficult-to-wear garment, there are types of kimono suitable for both formal and informal occasions. The way a person wears their kimono is known as kitsuke (着付け, lit. 'dressing').

The earliest description of a possible oseledets comes from a description of Sviatoslav I (d. 972), prince of the Kievan Rus'. Sviatoslav's appearance has been described very clearly by Leo the Deacon, who himself attended the meeting of Sviatoslav with John I Tzimiskes. Following Deacon's memories, Sviatoslav had a bald head and a wispy beard and wore a bushy mustache and a sidelock as a sign of his nobility.
Arsenal was the first club from southern England to join the Football League in 1893, officially joining the First Division in 1904. Arsenal carries the longest active streak continuously in the top division (over 105 years and counting) and completed the 20th century with the highest average league position of any club. Arsenal has won the second-most top-flight matches in English football history. In the 1930s, Arsenal won five League Championships and two FA Cups, with another FA Cup and two more Championships coming after the war. In 1970–71, it won its first League and FA Cup double. Between 1989 and 2005...
The Evil Queen is very cold, sadistic, cruel, and extremely vain, owning a magic mirror, and obsessively desiring to remain the "fairest in the land". She becomes madly envious over the beauty of her stepdaughter, Princess Snow White,

as well as the attentions of the Prince from another land; this love triangle element is one of Disney's changes to the story. This leads her to plot the death of Snow White and ultimately on the path to her own demise, which in the film is indirectly caused by the Seven Dwarfs. The film's version of the Queen character uses her dark magic powers to actually transform herself into an old woman instead of just taking a disguise like in the Grimms' story; this appearance of hers is commonly referred to as the Wicked Witch or alternatively as the Old Hag or just the Witch...
