Onion writer-editor Chad Nackers originated the newspaper's distinctive version of Biden, which its staff developed over the course of the real Biden's two terms as vice president. Nackers took inspiration from his upbringing in Midwestern Wisconsin and, more loosely, from aspects of Biden's personality and public face. Although The Onion had mentioned Biden's name as early as 2006, he was not treated as the primary subject of an item in the newspaper until Obama's (and his) first inauguration in January 2009. The first full-length treatment of the Biden character was a May 2009 article titled "Shirtless... bc25de7518
