== Background == 429c6ae4c1 Willa originated from a tropical wave that the United States-based National Hurricane Center (NHC) began to monitor for tropical cyclogenesis in the southwestern Caribbean Sea on October 14. However, the system subsequently crossed over Central America into the East Pacific, without significant organization. The NHC continued to track the disturbance until it developed into a tropical depression on October 20, off the coast of southwestern Mexico. The depression strengthened into Tropical Storm Willa later in the day as a period of rapid intensification commenced. Willa peaked as a Category 5 hurricane with sustained winds of 160 mph (260 km/h) on the following day. Afterward, a combination of... 429c6ae4c1 The city is home to three publicly traded companies, and is also home to the Medical Center of the Americas, the only medical research and care provider complex in West Texas, and the University of Texas at El Paso, the city's primary... 429c6ae4c1 "To me, the whole journey starts with the fact we actually agreed to go - and then went - to Texas. Because we've never left home to make a record. As everyone's lives have become crazier and busier with kids and families, it's gotten harder to buckle down at home. We decided to leave Boston, go down to literally the middle of nowhere and lock ourselves in a room" Ken Casey said. 429c6ae4c1 In November 2017, Smith announced that he would retire from Congress at the end of his current term, and not seek re-election in 2018. In 2021, Smith registered as a lobbyist for the surveillance firm HawkEye 360 on behalf of Akin Gump Strauss Hauer & Feld. In 2022, he officially registered as a foreign agent. 429c6ae4c1
