The album spawned five singles, including "Every You Every Me", "Pure Morning" and "You Don't

Care About Us". The film is organized into segments: "Morning", "The Division of Labor", "Mass Gathering", "Hands", "Heads", etc. It presents miners, steelworkers, and textile workers expressing their concerns about salaries, quotas, and abuses of the system to their union representatives, and follows an industrial congress electing delegates to a future convention of the Polish United Workers' Party. It uses observational documentary techniques, and forgoes narration besides the segment titles. With that approach they managed to show an activist falsifying scores after the elections for Workers' Council as well as the workers revolting against electoral deception. In a radio interview, Hammond said that the idea for the song came... == Synopsis ==

In its modern form, this often involves national, ethnic, disability-based, or other groups that are often marginalized from political, social, and economic opportunities

The film chronicles O'Grady's years as a priest in Northern California, where he committed his crimes. After being convicted of child molestation in 1993 and serving seven years in prison, he was deported to his native Ireland, where Berg interviewed him in 2005. Additionally, the film presents trial documents, videotaped depositions with O'Grady and other members of the Los Angeles Archdiocese (including Monsignor Cain and Roger Mahony), and interviews with survivors of O'Grady's abuse, activists, theologians, psychologists, and lawyers. Taken together, the material suggests that Church officials were aware of O'Grady's crimes many years before... At the end of May 2013, the band started the process of finalization of the song vocal lines. Next month, the band went on to record the first music video for the new album. The saying has its origins in Central European political traditions. It was the political motto that helped establish—and, loosely translated into Latin, provided the name for—Poland's 1505 constitutional legislation, *Nihil novi*, which first transferred governing authority from the monarch to the parliament. It

subsequently became a byword for democratic norms. It is also a long-standing principle of Hungarian law and foreign policy, and was a cornerstone of the foreign policy of interwar Poland.
