Set in the American frontier with a historical context, the narrative follows a fictional teenager from Tennessee referred to as "The Kid", with the bulk of the text devoted to his experiences with the Glanton gang, a historical group of scalp hunters who massacred American Indians and others in the United States-Mexico borderlands from 1849 to 1850 for bounty, sadistic pleasure, and eventually out of nihilistic habit. The role of antagonist is gradually filled by Judge Holden, a physically massive, highly educated, preternaturally skilled member of the gang with pale and hairless skin who relishes the destruction and domination of whatever he encounters, including children and docile animals. 7c733488b9
