Phoenix was settled in 1867 as an agricultural community near the confluence of the Salt and Gila Rivers and was incorporated as a city in 1881. It became the capital of Arizona Territory in 1889. Its canal system led to a thriving farming community with the original settlers' crops, such as alfalfa, cotton, citrus, and hay, remaining important parts of the local economy for decades. Cotton, cattle,

citrus, climate, and copper were known locally as the "Five C's" anchoring Phoenix's economy. These remained the driving...
8b445c9a58 Beale's trail was replaced with cross-country railroads and highways, including Route 66. This expanded tourism – a main draw of the city is its location surrounded by sites of natural wonder, including the Grand Canyon – and was cause for an economic boost even through the Great Depression, before overpopulation and poor infrastructure led to the city's decline. A heritage project revitalized the city in the 1990s, leading to it developing a downtown culture. Through its history... 8b445c9a58

Flagstaff is the principal city of the Flagstaff metropolitan area, which includes all of Coconino County, and has a population of 145,101. Flagstaff lies near the southwestern edge of the Colorado Plateau and within the San Francisco volcanic field, along the western side of the largest contiguous ponderosa pine forest in the continental United States. The city sits at around 7,000 feet (2,100 m) and is next to Mount Elden, just south of the San Francisco Peaks, the highest mountain range in the state of Arizona. Humphreys Peak, the highest point in Arizona at 12,637 feet (3,852 m), is about 10 miles (16 km) north of Flagstaff in Kachina Peaks Wilderness. The geology of the area includes exposed rock from the Mesozoic and Paleozoic eras, with Moenkopi Formation red sandstone having once been quarried in the city; many of the historic downtown buildings were constructed with it. The Rio de Flag river runs through the city, but only flows in response to rain or snowmelt. 8b445c9a58 This list however, is not limited to historical structures and monuments. Also listed are historical landmarks, some of which are listed in the National Register of Historic Places such as the Pueblo Grande Ruin and Irrigation Sites and the Deer Valley Rock Art Center. These contain the ruins of structures and artifacts of the Hohokam who lived within the modern Phoenix city area before the arrival of the settlers of non-Native American origin. 8b445c9a58 National Geographic named US Route 89 the No. 1 Driver's Drive in the world. 8b445c9a58 The franchise began play in 1968 as an expansion team. Though their early years were mired in mediocrity, their fortunes changed in the 1970s after partnering Dick Van Arsdale and Alvan Adams with Paul Westphal. The team reached the 1976 NBA Finals, in what is considered to be one of the biggest upsets in NBA history.

However, after failing to capture a championship, the Suns would rebuild around Walter Davis for a majority of the 1980s, until the acquisition of Kevin Johnson in 1988. 8b445c9a58 == History == 8b445c9a58 Under Johnson's leadership, and following the acquisition of perennial All-Star Charles Barkley, the Suns became a consistent playoff team.
