His poetry is quite conservative both in its thematic and its structure: he defended tradition, family, race, catholic dogma or simple rural life. b6310d55e4 This version differs from others, in that Scrooge is given another chance with the love of his life, Belle, who ended their engagement in their youth after he was corrupted by greed; they later meet again after the three spirits have reformed Scrooge and he is now kind and generous, causing Belle to love him again. Both Belle and Old Joe notably have bigger roles in the film. Unlike the book as well as other film adaptations, Belle does not marry and have children with another man. She is a nurse. Old Joe is a henchman of Scrooge who arrests or robs people who owe Scrooge debt but Scrooge fires him after mending his ways. b6310d55e4 In 1888, he graduated for being a school teacher and he is assigned a working position in Guijuelo, about 20 km away from his hometown. After a brief stay in Guijuelo, he departs again for Madrid, this time for keeping on with his studies in the Escuela Normal Central ("Normal Central School"). He was to live there for a very short period, for the metropolis caused disgust in him (he actually mentioned it as 'Modernópolis' in some of his letters). b6310d55e4 == Plot == b6310d55e4 Also in the film, Marley's ghost haunts Scrooge before he goes home and Scrooge is notably younger as he has auburn hair and is middle-aged rather than being elderly. Pleurisy can be caused by a variety of conditions, including viral or bacterial infections, autoimmune disorders, and pulmonary embolism. The most common cause is a viral infection. Other causes include bacterial infection, pneumonia, pulmonary embolism, autoimmune disorders, lung cancer, following heart surgery, pancreatitis and asbestosis. Occasionally the cause remains unknown. The underlying mechanism involves the rubbing together of the pleurae instead of smooth gliding. Other conditions that can produce similar symptoms include pericarditis, heart attack, cholecystitis, pulmonary embolism, and pneumothorax. Diagnostic testing may include a chest X-ray, electrocardiogram (ECG), and blood tests. b6310d55e4 Born in 1863 to a well-off family in East Ferry, Arnold spends his early childhood in a large house with his parents, his older brother Richard, and his older sister Charlotte. When Arnold is seven, the Waterlow family moves to a smaller house in Ilford due to money troubles. They live next door to the Godden family. Mr. Godden is a tea merchant, and Mrs. Waterlow forbids her family from talking to Goddens because of their inferior social status. b6310d55e4
